

***He's gross ... disgusting ... he's one of a kind ...
he's Snotcha!***

WILL HE SNEEZE AT' CHOO?

Let's hope you're prepared for **Snotcha!** (rrp £24.99 for age 5+)! It's a grossly entertaining new game for 2-4 players from Drumond Park, that's set to be hugely popular with cheeky little ones this Christmas! Indeed, this truly revolting, sneeze spraying action game is guaranteed to get everyone going, one way or another!

Each intrepid player takes a turn to get face to face with **Snotcha** (*lean in close!*) and spin the spinner to see how many times to push down on the top of his nose. With every slow, complete (*no cheating, now!*) push it's time to see if he can hold in his snotty sneeze or not ... And of course the big question is, **will he sneeze AT'CHOO?**

The tension rises as the 'sneeze' pressurises with every press, accompanied by excited squeals and giggles! Phew ... you've stayed dry this time ... or maybe not – AAAHHH CHOOO! **He's got you!** Ewww that is a super wet sneeze! And you're out of the game this time round.

Play continues with the remaining players taking their turns to spin the spinner and push down on **Snotcha**, until just one player is left. And that extremely lucky person, who's managed to avoid being sneezed on right through the round, is the undisputed WINNER!

Getting ready to play

Snotcha! is easy to set up before you let the little ones loose on him! Firstly, put the batteries in his feet. Then carefully fill his sneeze chamber up to the line with fresh water. Attach his feet, assemble the two sides of the head, place him on a smooth dry surface ... and stand by... he's ready for some hilarious, truly mesmerising game play!

And you'll need to put **Snotcha!** away carefully, too. Pour out any water remaining after the game, and allow the water chamber to dry out completely before you take him apart and pack him away, ready for next time.

Note: Requires 2 x AAA batteries
