

CATCH PHRASE

Now you can enjoy the CATCH PHRASE game show in real time – it's fantastic fun for all the family!

ITV's hugely popular *Catch Phrase* game show has returned to our screens, and is all set to secure an avid legion of new fans! Drumond Park, one of the UK's leading board games brands, has completely updated the content of its best-selling *Catch*

Phrase TV board game – so that it's now totally in tune with the latest TV series.

Just "SAY what you SEE!"

These famous words will ring in your ears as you compete to complete the ingenious, colourful... and infuriating CATCH PHRASE puzzles!

The All New Catch Phrase TV Board Game (rrp **£22.99**, for 2-4 players, age 8 to adult) faithfully captures all of the best loved elements of ITV's highly successful contemporary remake of the iconic 80s game show.

Everything you need to play the Individual, Rapid-Fire and Super Catch Phrase rounds is included in the box... and it's all amazingly true to the game show format.

There are 96 double-sided **Regular** Catch Phrase Cards, 15 large, square double-sided **Bonus** Catch Phrase Cards, 48 single-sided **Super** Catch Phrase Cards and board, a quirky **Mr Chips Card Holder** and a clever **Bonus Catch Phrase Picture Frame** which plays an integral part in recreating all of the lively fun of the TV game.

Game play is straightforward and follows the frenetic, fun-filled format of the show – but here, to add to the fun, everyone takes a turn to step into the hallowed shoes of the show's host, Stephen Mulhern. The ultimate aim is to accrue the most 'money' by guessing Catch Phrase puzzles over each of the rounds... with increasing amounts of 'prize money' on offer.

Each player keeps his or her accumulated winnings, as play passes from Host to Host – and the person with the most money after everyone has played Host is declared the winner. It's a battle of wit and brainteasers – a veritable twirl of tongue twisters and picture puzzles that'll have you shouting out with frustration or jumping for joy when the penny drops and you're able to literally "Say what you see!".

This hugely entertaining, hilarious board game is a faithful rendition of the much-loved TV game show. It's excellent value for money and guaranteed to provide hours of raucous family fun and frivolity for all!
