**A CRAZY, NOISY,  
NUTTY GAME OF  
ELEPHANTINE FUN!**

#### How to play Doh Nutters:

Each player takes a mask and all three doughnuts of the same colour as their mask's spectacles. Novices might just play with two doughnuts each.

Put the playing board on the floor or table where everyone can get at it with their trunks.

The players scatter their doughnuts on the board and put on their masks.

When everyone is ready, the youngest player shouts "START".

Using their TRUNKS ONLY players must scoop their own coloured doughnuts as fast as possible onto their trunks. The first to get all three on their trunk wins!
