

Get ready for Halloween with this awesome array of magic and trickery!

## Perfect for trick or treat-themed fun

When it comes to putting a set of phenomenal magic tricks together, no-one does it better than Drumond Park, the company which currently holds the coveted **Top Three slots** in the UK's best-selling Magic Sets league\*! Budding magicians and tricksters alike can't wait to get their hands on these dazzling compendiums - that combine horror and delight in equal measure.

### The UK's Top Selling Magic Set!

Gasping ... Screeching ... Magic and Mayhem! That's what you get with the fascinating and hilarious Number One best-selling **Box of Shocks** (8 to adult, rrp **£19.99**)! Irresistible to tricksters of all ages, this sparkling and witty magic set is one of the foxiest, most shocking collection of pranks and tricks for playing on friends and family that has ever been put together. The kit comes with excellent move-by-move instructions, and inside is just what it says on the box – think squirting 'crazy' ketchup all over your audience's clothes, showing them how you break your finger backwards, leaving a coiled snake – ready to spring - in a crisps tin, ramming a pen through your hand, hiding a lurking spider behind a coin in a box so it can jump out at them... and you'll have just a whiff of what you'll find in this top-selling compendium!

\* Drumond Park's performance in the UK's Magic category remains unassailable, with *The Box of Shocks* in **No. 1 position**, the refreshed and updated *Gross Magic* taking the **No. 2 slot** – and last Christmas new *Gee Whizz*, the magical box of tricks for small children, romped in at **No. 3**. *Source: NPD Group*
