

WHO'S THE DUDE?

You're mere seconds from winning that all important point, by trying to mime the action of 'stalking prey like a tiger' to your mates. There are arms and legs flapping like spaghetti, and to be honest it's quite a risqué performance!

But... Who's the Dude?

What's he up to, this wacky, inflatable arm flailing, leg-waving blow-up man?

Have you ever tried playing the age-old game of charades? Probably! But have you performed various activities, like being 'on a first date' or 'planking', or 'putting on sunscreen' with a life-sized inflated *Dude*? Bet you haven't!

Add in a few drinks at a 'stay-at-home' party and simple descriptions of what the Dude is up to, such as being 'a Lifeguard' or 'a Sumo wrestler' will have everyone imagining allsorts. These, and over 440 charades, are exactly the kind of spectacularly hilarious innuendo-enhancing scenarios that you're likely to encounter with the **NEW Who's the Dude?** adult game from **Drumond Park** (age 16+, rrp **£24.99**).

Play with 3-8 players, either individually or in teams. The first player takes one of the 110 scenario charade cards, and chooses a heading from the four choices displayed – like *'what's happening?'*, *'what are we doing?'*, *'where are we?'*, or *'what am I?'* **and then brings on the Dude!**

You then have 45 seconds... using either the downloaded **'The Dude App'** or the timer on your phone, for your mates to guess exactly what is going on, in as many situations as possible! When someone gets a correct guess they're awarded a point - then it's the next person or team's go. After 4 rounds, the person or team with the highest number of points wins.

Remember... try to focus. Can you convince your fellow players that you're *'stuffing a turkey'*, *'pole dancing'* or *'blowing The Dude's nose'*? After all, you don't want to let your friends down, yourself down, but most of all... *The Dude* down! This is a game that truly rewards inventiveness, persuasive miming, and let's be frank, outright sauciness!

The geniuses behind this game, **Drumond Park**, have come up with another instant hit! **Who's the Dude?** just keeps on giving as you pump up and inflate preposterous actions time and time again.

So **Who's the Dude?** You'd better find out! The social media team at Drumond Park would love to hear about what you get up to - send pictures, too!
